## **Bare Rental Insurance Requirements**

### **Commercial General Liability**

- Limits of liability should be \$1,000,000.00 per occurrence
- Additional Insured in favor of Stevenson Crane Service, Inc. Primary and Non-Contributory
- Waiver of subrogation in favor of Stevenson Crane Service, Inc.

### **Umbrella Liability**

- Limits of liability at \$1,000,000.00

### **Worker's Compensation**

- Employers Liability limits of liability at \$500,000.00
- Waiver of subrogation in favor of Stevenson Crane Service, Inc.

### **Inland Marine – Equipment Coverage**

- To make rentals as simple as possible, we ask that you provide *Blanket Coverage* for all leased/rented equipment up to \$300,000.00 on your Inland Marine policy.  
*\*However, if the machine being rented has an insurable value that exceeds \$300,000.00, additional coverage will be required.*
- This type of coverage will prevent you from having to provide a separate certificate for each rental.
- Stevenson Crane Service, Inc. must be listed as loss payee on the rented equipment.
- Boom overload covered as cause of loss of equipment. (Boom Lifts & Material Handlers only)
